Vision and Mission

Vision

To create a joyful and inclusive community where everyone can

Mission

To spread happiness, build an engaged community, and foster a fun ecosystem that embraces creativity, humor, and shared success.

What is TeddyPuff?

TeddyPuff isn't just another token; it's a community-centered meme coin designed to bring joy, connection, and lighthearted fun to the crypto world. Whether you're a seasoned trader or a meme enthusiast, TeddyPuff welcomes you to join our fluffy adventure.

We aim to transform the way people view meme tokens by focusing on fostering meaningful connections and creating a safe space for everyone to thrive. Let's make every transaction a smile-inducing

Tokenomics

TeddyPuff's tokenomics are simple, transparent, and designed to prioritize the community:

Total Supply: 20 billion \$TDP tokens

Community Rewards: 40%

Marketing and Growth: 25%

Development Fund: 20%

Liquidity: 10%

Reserve Fund: 5%

Deflationary Mechanism

To ensure sustainable growth, a small percentage of each transaction will be burned, gradually reducing the total supply and increasing the token's value over time.

Presale Token Burn

In the spirit of trust and transparency, all unsold presale tokens will be burned once the presale distribution is complete. This ensures fairness and long-term value for the TeddyPuff community.

Why Memes Matter

Memes are more than just jokes they're cultural icons that unite people through shared humor and creativity. TeddyPuff taps into this universal love for memes, creating a community where fun meets financial opportunity.

By embracing memes, we create a token that's not only relatable but also impactful in the world of crypto.

Blockchain Foundation

TeddyPuff is built on the Ethereum blockchain, leveraging its robust security and vast developer community.

With Ethereum as our foundation, we ensure scalability, transparency, and a strong ecosystem for our community.
